Kudos To Our Card Party Team!

Great ideas and planning happened for our Card Party. We hope to continue as a yearly event. It was a group effort with Board members taking the lead, members contributing gift cards and enthusiasm to make it a reality. Venue, tables, food, raffle tickets, reservations, advertising, charity and more each needed to be researched and developed. This was undertaken because so many members wanted it. As so often happens in our club, everyone has contributed something. So a huge recognition to everyone and thank you for wanting it and bringing it back. We are ready for a great time on September 17th. **Genetaska** is awesome!

Linda and **John Mazur** talked about the dangers eating disorders can have on individuals and their families. Their group, **The Emilee Connection** offers hope and help within our community.

Get Ready For More Fun

This year's event will be held Wednesday, October 15th. Invite a friend to share in the fun! The end of the year includes November 19th and then December 10th at the Irondequoit Country Club. Details in future newsletters. Another year completed and we can remember all those in our community we helped. This is a wonderful group of active, committed women. Veterans, school children, special needs individuals, animal shelters and many others have benefitted from Genetaska members. Looking forward to more!
